

With All Your Heart

A ministry newsletter from *Lyndsay Royer*

FEB
21'

Greetings my dear family, friends and supporters!

"Blessed be the God and Father of our Lord [Yeshua] Jesus Christ! According to his great mercy, He has caused us to be born again to a living hope through the resurrection of [Yeshua] Jesus Christ from the dead, to an inheritance that is imperishable, undefiled, and unfading, kept in heaven for you, who by God's power are being guarded through faith for a salvation ready to be revealed in the last time." 1 Peter 1:3-5

I am so grateful for each one of you and I hope you all are well. I know this nation and world have been through so much the past year and a half and could be headed for so much more. I encourage each one of us to continue to press into the Father and seek Him in repentance. Ask Him for the strength and resolve to persevere during this time. He is still on the throne and still has all authority in heaven and on earth. He is able to raise up a standard against any and all darkness that this world or the enemy brings to us! He is our everything and we are able to do ALL things that He desires us to do through Him (Philippians 4:13) and He has the desire and power to grant us all the strength we need to endure whatever is before us.

I have some exciting news to share in this letter and hope you enjoy the read!

Ministry News

Here's the news: The Stucky's look like they're heading back to PNG next month!!! The paperwork issues they have been waiting to be resolved finally have been! The family has quite a lot of provision needing to come in as well as lots of preparation in the next few weeks and could very much benefit from your prayers. This means I am one step closer to returning to PNG!! The plan as of now is once Marlyn and Lynda are back and things are settled for them, they will be able to more proactively work on getting my visa. There is a potential of me being able to head back as soon as early Summer, though this is just an idea right now. Despite still having to wait, I am encouraged with the forward progress. This nine-month furlough has turned into almost 2 years. Waiting is something I'm all too familiar with, but this time around I have a much more settled spirit as I have seen the Father's hand in my life while I've been home and cannot deny that His timing and ways are best!

I'll miss the Stucky's but excited for them to go home!

Painting of Mama Baiso!

Jeremiah 29:13

The journey back to Papua New Guinea for the Stucky's and eventually for myself is going to look completely different than any other time before, and we are in much need of your prayers! With all the new COVID-19 restrictions including testing requirements, dealing with closed off countries (Australia is currently not an option for layovers at this time) and paperwork delays make the trip much more taxing and stressful. Thank you in advance for your prayers for the Stucky's and myself as we prepare to return to the land of the unexpected!

Personal News

As for me, I have been keeping myself fairly busy! I'm back to substitute teaching and I continue to be blessed with occasional art jobs as well as other small side work. I've also got to finish some personal paintings as well! It is truly incredible how the Father takes care of my daily needs. I also continue to enjoy all the time I have gotten to spend with my family, friends and the family of God here in the US. The LORD has also opened up ministry opportunities here in the form of relationships with people in need. I am so very grateful for this season!

I wanted to share with you all some needs that I have concerning my return to PNG. Though I have enough funds for my plane ticket as well as contingency ticket money (praise the LORD!) I have not been able to save up much more than that for my daily living when I get back. I am also in need of a new computer as mine is beginning to slow down, just as I am starting to really need it for ministry work. Lastly I am truly in need of a few more supporters to come along side me for the long haul, as what I received monthly will not be enough to sustain my living. **If you are able, interested or feel called to support me in any of these ways, feel free to contact me by phone at 509.398.3086 by email at I_royer87@hotmail.com or by the home address at the end of this newsletter!**

I serve a miracle-working God and am confident that He will supply every need of mine to perform the work He desires me to perform in His perfect timing!

My dad & I at a quick trip to the beach!

Finished mural at the Quincy Food Bank!

Prayer Points

- Pray that the Stucky's are able to get everything ready that is needed for their departure as well as traveling mercies and favor with the paperwork and COVID restrictions.
- Let's pray for healing and the Father's presence near all those directly affected by COVID-19.
- Please pray that I am able to secure a few more long term supporters as well as to be able to purchase the remaining tech supplies I need.
- Praise the LORD for His continued provision and protection of my family and I during this time!

Grateful to help and spend time with my grandparents!

- I would appreciate prayers for continued financial provision for living here in the US and that I would be open and obedient to any opportunities to minister while waiting.

Thank you for continuing to stand with me to see the Kingdom of God be established in Papua New Guinea (and in the United States of America!), "... as it is in Heaven" through your prayers and financial support.

Shalom and Blessings!
